Journeyman Stipend: 6.25% of employee's contracted salary

This salary schedule is based on the assignment of the employee and specifies a number of contract days. If the Weber School District Board determines it is necessary to reduce the number of contract work days, then the amount payable to the employees under this schedule will be reduced by the following formula:

Daily rate (salary divided by the number of contract days) times the number of reduced contract days.

*The District will move employees, after 3 years on Lane 0 to Lane 1
